

JOB PROFILE

Building Surveyor-Exeter

RavenSlade offer Project and Cost Management Services on Construction and Development Projects throughout the South West Region.

We have a new requirement for a talented and experienced Building Surveyor to join our expanding company to assist in setting up and running a new building surveying department.

In addition to undertaking large scale construction projects, RavenSlade have a forward workload that includes design, management and CDM compliance on office fitting out, refurbishment and repair/maintenance projects as well as other traditional building surveying duties including dilapidations, condition surveys and party wall.

The ideal candidate will be:

- ✓ Chartered in an appropriate discipline and qualified with up to 5yrs PQE
- ✓ Experienced gained with a Consultancy Practice in the South West
- ✓ Knowledge of commercial, education and high end bespoke residential sectors
- ✓ Well known in the region with strong client and industry relationships
- ✓ Able to lead projects and work autonomously on a day to day basis from scheme inception to completion
- ✓ Proficient in the use of CAD and able to produce drawings and technical specifications for planning, building regulations and construction.
- ✓ Experienced and able to execute meticulous contract administration and document control on JCT MW and IFC forms of contract
- ✓ Able to manage contractors on site and communicate at a practical level
- ✓ This will be a client facing role and the successful candidate will need to be personable and well presented with excellent organisational and communication skills
- ✓ Willing to undertake business development and networking.

This is a unique opportunity for the right candidate to fulfil their ambitions to join a fast growing company and take a pivotal role within the future development of the business. We are based in smart offices at Pynes Hill Business Park which has parking and easy access to the M5. Package will be discussed with the candidates at interview

Applications to: Paul Bennett on pbennett@ravenSlade.co.uk or 0785 7887973 for an initial informal discussion in confidence.
