Ravenslade have had a very busy first quarter start to 2015.

Our business has been established for three years and since formation we have successfully managed construction projects worth a total of over £20m on behalf of our Clients in that time. Going forward we have secured a varied and interesting workload throughout the region from Bath down to the South Hams....all to look forward to during the remainder of 2015 and beyond.

Ravenslade Client and Project Expertise list has also expanded and now encompasses the following

- ✓ Education Sector and Academy Schools
- ✓ Civic Buildings
- ✓ Commercial Developers and Property Owners
- ✓ Private Wealth Banks
- ✓ High Net Worth and Overseas Clients
- ✓ Commercial Interiors

Here are some of the highlights.....

BROADCLYST ACADEMY

A refreshing good news story for capital investment into schools ...

The new hall at Broadclyst Primary School replaces a dilapidated canteen and is a stunning building with state of the art facilities including a kitchen and dining hall, climbing wall, coffee shop, comfort cooling and a highly equipped Audio Visual and IT installation.

Designed by NPS and constructed by Midas Construction, the new hall was recently completed and now operational.

EXETER CENTRAL LIBRARY

This is one of our favourite projects, the iconic 1960s library is a landmark building in Exeter and following a major c£4m refurbishment was reopened to some wonderful public acclaims. A welcome achievement against the backdrop of current public spending cuts.

SOUTH HAMS PROJECTS

We have secured a number of projects in the lovely South Hams area including this one for our Singapore based Client. The scheme is to extensively remodel their house at Noss Mayo which has fantastic views down the River Dart.....looking forward to site visits in the summer!

Well done to Rob who completed the Royal Parks Half Marathon in London and raised over £700 for Ravenslade nominated charity the Dame Hannah Rogers Trust....

We recently moved offices so do call in and see us for catch up over a coffee...
