

## **NEWSLETTER**

We would like to thank our fantastic clients for choosing Ravenslade to manage their construction projects making 2016 our busiest period ever. We have continued to build our business with recent staff appointments including additional Quantity Surveyors and executive support. We are now able to offer a comprehensive range of services in both project and cost management.

Here are just some of the highlights from the past 12 months

### **COMPLETED - ATLANTIC VIEW LODGES, BUDE**

Ravenslade were appointed by Grenadier Estates to provide project management services on the recently completed holiday lodges near Bude. The lodges, which won the Michelmores Sustainable Project of the Year 2016, and includes many low carbon features such as PV panels, solar hot water, and air source heat pumps.

### **COMPLETED - HIGHWEEK SCHOOL & LANDSCORE PRIMARY SCHOOL**

Ravenslade provided project management services on behalf of NPS to successfully deliver these much needed school expansion projects for Devon County Council.

### **COMMENCED – CONVERSION OF FORMER ST MARGARETS SCHOOL, EXETER**

Ravenslade have been confirmed as Project Managers and Quantity Surveyors for the Conversion Works to the former St Margaret's School in Exeter. The conversion works, being undertaken by Exeter based sustainable property developer Grenadier Estates, will comprise the renovation of existing school buildings and provision of two new blocks to provide 41 high quality apartments.
